First report taken on nov. 024(Saturday) first ever prayer taken on nov.11 prayer taken by R.O.A as @ nov 15th 2024 TRUE LOVE UNITES HAS A NUMBER OF 73 MEMBERS AND STILL COUNTING

we have various types of tasks n games in the group we are expected to be take on that all memebers in the group so far so good the guys are doing fine, not for those that have failed to realy comeout of their shell so there wont any annonymousity we are almost at the end of the year and sincerely speakig the stat is really below average for the numbber of people in the group a lot of activities as been gooing n in the group from the mondat to sundays activities(business ic.

freaky Friday(sinday) activities, atleast over 200 porn videos as been deposited into the group in the durations of this data

 $\frac{1}{1}$ more activies will be added as time goes on good job to all members of the group from the admins to the non-admins that as made the group interesting and welcoming to new members.

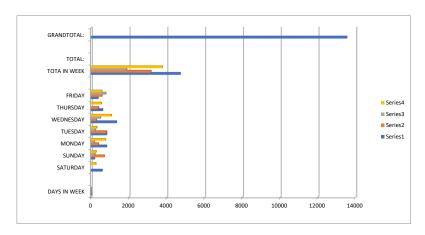

during the duration of data intake (media, links, docs are close to

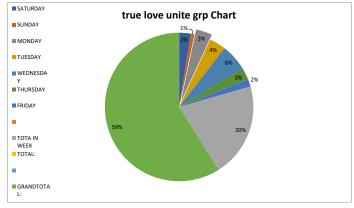

<1000> in digits.

over 2.66GB of data has been transmitted or either transported through group

we got an overall chat of 13526 chat in a space of 1months

this are the daily number stats and activities of true love unites update wil be gradually be inputed
